# Educational Sponsorship

**Providing a bright future and a secure home through education and support**

## The Ecumenical 1World-Group (OWG) in the Erbstromtal valley

The Evangelical One-World-Group was founded in 2005. OWG is located in the Erbstromtal valley in central Germany. We are **not** an NGO.

We are simply a collective of individuals who share the intrinsic values of caring and contribution. Predominately, the OWG membership is inter-denominational, comprised of Protestants and Catholics from neighboring communities.

**You may have an interest to participate. Your sponsorship could be specific to one individual. Your contribution supports the education of a Rwandan child or young adult, therefore providing a secure, self-reliant, opportunistic future.**

**There are two categories of monthly sponsorship:**

- 30 Euro - primary and secondary education
- 50 Euro - handicapped, special education

**The expense can vary, based on:**

- the age of the child and number of school years required
- prosthetic requirements
- special project supplies

In any case where there may be additional cost, this is disclosed before a sponsorship is initiated.

## Educational sponsorships - A way to a self-sustainable life for disabled kids and youth

Since 2007 One-World-Group has been in active support of Rwandan children and youth. Our project aligns foster parents with young individuals victimized by difficult personal and living conditions.

The target group is girls with a history or circumstance of extreme poverty, are handicapped, traumatized from physical and/or sexual abuse and suffer with genocide post-trauma.

**Your sponsorship pays for:**

- Tuition
- Student upkeep
- Health insurance
- Transportation to and from school
- School meals
- Materials
- Uniform, including shoes
- Examination fees

It is our goal to support a child until s/he reaches grade 12 of his/her education and wherever possible, help the child attain a vocation.

**The OWG foster children are looked after and accompanied by an active team of Rwandan volunteers. This offers the advantage of their common language, social history and identification with everyday life. Additionally the team is there to offer advice and support in personal challenges, crisis and conflict resolution.**

The team manager is Dietmar Mauermann, a qualified retired social worker, who spends the majority of the year on location in Rwanda. He is contracted with and works exclusively for OWG.

**As we make this request for your support,...**

**...the core of our mission continues - The Foster Parent / Child Program**

### **The Special Compensation Fund**

This fund provides additional monies for special needs up and above the foster program. For example, some of the foster children are encumbered with a physical handicap where an operation would greatly diminish their difficulty. This fund is used for the unforeseen emergency of the foster child or a family member.

**The special compensation fund offers those who can not or choose not to support an individual child, the opportunity to submit a donation of universal support for the benefit of *all* children in the program.**

**Are you ready to support one of the Rwandan children who are in need?**

On the backside of this brochure, you can make your specific selection of support. Upon receipt of your information, we will contact you.

***We thank you for your commitment of active support!***
