Educational Sponsorship

**Providing a bright future
and a secure home through
education and support**

Educational sponsorships - A way to a self-sustainable life for disabled kids and youth

Since 2007 One-World-Group (OWG) has been in active support of Rwandan children and youth. Our project aligns foster parents with young individuals victimized by difficult personal and living conditions.

Your sponsorship pays for basic needs like:

- Tuition
- Student upkeep
- Health insurance
- Transportation to and from school
- School meals
- Materials
- Uniforms, including shoes
- Examination fees

It is our goal to support a child until s/he attains a vocation, but also empowering their families to also be in support of the child along with the 1World-Group sponsorship.

The OWG foster children are looked after and accompanied by our co-operation partner "Amizero Y'Ubusima Organisation".

This offers the advantage of their common language, social history and identification with everyday life. Additionally the team is there to offer advice and support in personal challenges, crisis and conflict resolution.

The team manager is Mrs. Laurette Mushimiyimana.

The Ecumenical 1World-Group (OWG)

The One-World-Group was founded in 2005. OWG is located in central Germany. We are a collective of individuals from different local church parishes who share the intrinsic values of caring and contribution.

AMIZERO Y'UBUZIMA is a Rwandan non-governmental organization with the vision of removing all barriers towards children and youth with disabilities in Rwanda. The mission is promoting education and health of children and youth with disabilities.

You may have an interest to participate. Your sponsorship could be specific to one individual.

Your contribution supports the education of a Rwandan child or young adult, therefore providing a secure, self-reliant, opportunistic future.

For an individual sponsorship a monthly amount of 30 € (45 \$) is required.

And feel free to donate any amount to the special compensation fund of the sponsorship program.

As we make this request for your support...

... *the core of our mission continues* – The Foster Parent / Child Program

The Special Compensation Fund

This fund provides additional monies for special needs up and above the foster program. It's used for unforeseen emergencies of the foster child or a family member, for example. Furthermore it is used for family empowerment.

The special compensation fund offers those who can not or choose not to support an individual child, the opportunity to submit a donation of universal support for the benefit of **all** children in the program.

Are you ready to support one of the Rwandan children who are in need?

On the backside of this brochure, you can make your specific selection of support. Upon receipt of your information, we will contact you.

We thank you for your commitment of active support!
